GENERAL CONDITIONS FOR QUOTATION.

- 1) The design patterns / drawing indicated in the tender document are tentative only and it can be changed as per requirement and instructions of the Architect / Bank authority.
- 2) Work should be undertaken during office time only. Bank's decision in this regard will be final.

- 3) The work allotted should be completed in stipulated period of 3 weeks from written order. The delay in completing the work beyond the given period will be charged penalty @ 1 % of the total cost for delayed period.
- 4) Contractor should not object for any deduction in the items of said work or quality of item and cost will be reduced accordingly.
- 5) In case of changes in specification with the permission of authority, cost will be calculated accordingly.
- 6) The contractor should quote the rate in figures as well as in words for the work as running feet and also total estimate.
- 7) The rates quoted by contractor should include all the material, all leads and lifts, scaffoldings, labour, equipment's etc., & also all taxes including VAT, Sales tax, Octroy, transportation etc. needed for the job.
- 8) All erasures and alterations/corrections made while filling the quotation must be authenticated by the signature of contractor. Overwriting of the figures is not permitted, otherwise the quotation may be liable for rejection.
- 9) The contractor shall remove all debris, malaba etc., wash & clean the floor and handover the site in proper manner after completion of the work on due date.
- 10) The work executed should be approved by the Bank and contractor shall rectify any bad workmanship pointed out at any stage and remove from site all the rejected material immediately.
- 11) The contractor should inform the Bank or its representative/ panel Architect to check measurement of any work / material which is likely to be hidden before covering.
- 12) The contractor will not execute any extra item without Bank's permission in writing.
- 13) Conditional quotation quoted by the tenderer is liable to be rejected.
- 14) The quotation will remain valid for the period of 3 months from the date of opening of the tenders. Bank reserve the right to accept or reject any or all quotations without assigning reason to do so.
- 15) All pages of the tender documents, conditions, specifications, schedules etc, shall be initiated and signed by the contractor before submission of quotations as a token of acceptance.
- 16) The contractor shall make his own arrangement for watch and ward of his materials and shall ensure the safety, breakage, and theft of material fixed or unfixed by him or other materials immediately. Bank will not be responsible for any theft, loss or damage etc.
- 17) Drinking water & electricity will be provided by bank to the contractor.
- 18) The contractor will take necessary precautions for carrying out work avoiding any damages to structures/ decorative parts of the property. The contractor will rectify any damages done at his own cost.
- 19) The bank has a right to alter the nature of work and to add or omit any items of work or to have option of the same carried out departmentally or otherwise and such alternations or variations shall be carried out without prejudice to this contract.
- 20) The bank has right to terminate the contract, if the contractor abandons the work, or fails to commence and complete the work in time, or fails to abide by the contract conditions.

6. OTHER CONDITIONS FOR QUOTATION.

- 1) All the work shall be carried out as per detail and specifications or as directed by the consultant. Prior approval from consultant / bank shall be obtained for any change / deviation from the original plan.
- 2) Payment of bill shall be made in max. 1 instalment upon verification / recommendation from Architect / Consultant /Branch Manager.
- 3) Bank shall retain 10% of the total value of the contract as retention money and the same will be refunded after one year after the date of settlement of original bill, provided that there is no defect or all defects are removed. Likewise Bank will deduct applicable TDS etc at the time of final payment.
- 4) All disputes and differences of any kind whatsoever arising out of or in connection with the contract or carrying out of the work(Whether during the progress of the work or after its completion and whether before or after Determination, abandonment or breach of the contract) shall be referred to and settled by the Bank's Chairman, Head Office Nagpur.
- 5) The decision of the consultant shall be final in case of any technical clarification.
- 6) The Bank reserves the right to accept or reject any contract or / tender without assigning any reason for the same.
- 7) Please contact panel Architect S.Nandedkar & Associated, Nagpur. Contact No 09823294893, for any clarification about drawing, measurement and material.

NOTE:--

- 1) No deviation permissible.
- 2) Whenever Contractor proposes to use "equivalent" makes (i.e. other than specified) the same shall be done only after prior approval from Architect. Any additional expenditure time due to this will be on Contractor account and no claim will be entertained.
- 3) All material to be used shall be of first quality unless otherwise specified and as prescribed in Bank's Standard Manual.
- 4) Contractor shall produce proof of purchase and use of the approved material as prescribed by the Architect, from the company/manufacturer at the time of presenting running bill and the final bill.
