After launching of PMJDY scheme coverage of each household from rural as well as urban area by Bank is made mandatory. The banking services like opening of accounts, small value transactions, small remittances, micro insurance are to be carried out at village/ward level by using ICT based technology. The technology is to be used by ground level functionary like Business Coorespondent Agent (BCA) deployed by Banks. They are now known as Bank Mitras and the customers may be in a position to transact with Bank Mitras attached to all our rural/semiurban branches through microATM POS devices based on biometric authentication. The biometrics in ISO formats are either stored in Bank's FI-Gateway or centrally maintained in UIDAI-Aadhar Server at New Delhi/Bangalore. In line with the vision, Bank has emerged with a ICT based Financial Inclusion Solution based on biometric authentication & has implemented the said solution at various rural/semiurban centers. In similar line on modernizing payments and settlement systems in India, NPCI (National Payment Corporation of India) mandated by UIDAI implemented biometric authentication of Aadhar Card/Number holders upon receipt of valid authentication response from UIDAI whilst linking the Aadhar number of beneficiaries onto his/her Bank Account number opened/existing in our Bank.

The ICT-based FI Solution Gateway is now implemented and is an active outlet in our attached villages/semiurban locations through utilization of our Business Correspondent services, which means that all the other cities in a region can be interfaced to a single FI-Gateway for providing basic banking services to the hinterland beneficiaries in receipt of government subsidy/fund by using his finger-print biometrics through microATM POS devices/outlets.

The Bank invites from the vendors, sealed Bids for supply, installation and commissioning of 500+ microATM POS devices confirming to the latest standards as issued by IDRBT/IBA/UIDAI/RBI/Govt of India at various times, which will be placed at various rural/semiurban/urban centres as per choice of the Bank.
